

Acoustic & Digital **PIANO REPRINT**
BUYER ORDER FORM

Nearly all of the articles published in *Acoustic & Digital Piano Buyer* since its first issue in Fall 2009, and several excerpts from *The Piano Book* and the PianoBuyer.com website, are available as reprints. The articles are organized in six categories: General Piano Information, Used & Restored Pianos, High-End Pianos, Piano Care & Ownership, Reviews—Acoustic Pianos, and Reviews—Digital Pianos. See the online reprint catalog at www.pianobuyer.com/archive, where you will find a brief summary of, or excerpt from, each article, as well as access to the articles themselves.

The reprints are printed in full color on 100-lb. glossy paper. To make the reprints suitable for retail environments, third-party ads have been removed, and a retail price has been printed on each one so that they can be resold—or so that a value can be assigned when given away for free. Where space permits, they also have a place on the back where a professional can attach a business card or label.

We do not currently have an online shopping cart. To order, please print this order form, fill it out by hand, and either mail, fax, or scan/e-mail it to us at the address at bottom. Alternatively, simply e-mail us your order, noting Item No., Title, Quantity, and Shipping Address. **Do not send payment with order.** We will e-mail you an invoice when the order is ready to be shipped.
